Description

This dream home was completely renovated and furnished in 2020 with great attention to detail. The many natural materials and warm, harmonious colors have created a feel-good oasis. The house offers an open-plan living area with kitchen and dining area, a guest WC, 2-3 bedrooms and 2-3 bathrooms. Due to the size of the plot, the house can be extended if required. There is a design for this that envisages up to four further bedrooms and another swimming pool. Further highlights are the many terrace areas around the swimming pool with BBQ corner and fantastic views of the greenery and the sea. The house also has a garage for one car.

Location

A great feature of this property is the somewhat elevated location with beautiful views and the proximity to the unique port of Andratx. So it is just 1km to the marina Club de Vela, where there is a small supermarket, a restaurant and there is even a sandy beach for swimming in the sea. Also other very popular restaurants like the restaurant Barlovento or the restaurant Verico can be reached very quickly. To the popular harbor promenade with a variety of boutiques, bars and restaurants are only 2 km away. Also other popular places in the southwest of Mallorca such as Camp de Mar or Puerto Portals are quickly accessible by car. The island capital Palme de Mallorca is about 25 minutes away by car.
